

Re: "Rope Skipping for Health & Church Building for Manifestation of God's Love " Fund-raising Campaign

16th May 2023

Attention: Parents/Guardians

Dear Sir/Madam,

Our school is dedicated to nurturing students to practise the virtue of love, care for the weak, and offer assistance to the needy in society. In response to the appeal of the Catholic Education Office and the "Diocesan Fund-raising Commission for Church Building and Development" (details in the letter from the Catholic Education Office to parents and students), our school is participating in a fund-raising activity with the theme: Rope Skipping for Health & Church Building for Manifestation of God's Love 2023. On the one hand, we encourage our students to form a good habit of regular exercise so as to develop a healthy lifestyle. On the other hand, together with other Diocesan schools, we are united in making a concerted effort to support the development of the Diocese, so as to perpetuate the great love of God.

(1) Background of Fund-raising

The Catholic Diocese of Hong Kong (CDHK) has been serving our city for over 180 years. Apart from preaching the Good News of Christ and providing pastoral ministry to human souls, the CDHK has faithfully followed the teaching of Christ, to serve all people selflessly and charitably. In the decade to come, the CDHK needs an enormous amount of funds to build and maintain its churches, and to complete its other development works. The Diocesan Fund-raising Commission for Church Building and Development was set up by the Catholic Diocese of Hong Kong to raise funds for the future developmental needs of the Diocese.

(2) Organizer and Beneficiary

The captioned fund-raising campaign is organized by the Catholic Education Office of the CDHK. Donations will be made directly to "The Catholic Diocese of Hong Kong".

(3) Rope Skipping Activity

The teaching materials and techniques for promoting rope skipping activities on campus are provided by Hong Kong Rope Skipping Federation, China with the sponsorship of the Championship Committee of Lions Cup - Hong Kong Jump Rope Challenge. Through participating in this rope skipping fund-raising campaign, students can acquire the basic rope skipping skills, and promote rope skipping among relatives and friends.

(4) Fund-raising Method

Fund-raising Method: Participation in the fund-raising activity is voluntary. Students can use the donation form attached to solicit donations from their family members, relatives and friends

Fundraising Period: 16th May 2023 – 25th May 2023
