2. Student Grant(HK\$2500) e-Submission – Promotion for Parents (July to August)

The Education Bureau (EDB) has informed schools in March 2023 of the implementation of the electronic submission (e-Submission) of application for student grant (\$2,500) in government, aided, caput and Direct Subsidy Scheme (DSS) schools starting from the 2023/24 school year. To submit applications electronically in September in the new school year, parents must have a user account of “iAM Smart+” with digital signing function. Schools are advised to encourage parents to register for “iAM Smart+” in advance. The EDB has arranged “iAM Smart+” school registration events for parents in May and June and so far more than 10 000 parents have successfully registered through the events.

Parents are strongly encouraged to register for “iAM Smart+” in advance so as to submit online application in September in the new school year. Parents may at any time register for “iAM Smart+” in-person at the district “iAM Smart” self-registration kiosks or registration service counters with around 160 locations, including Post Offices in various districts. For detailed locations and opening hours of “iAM Smart” self-registration kiosks or registration service counters, please visit the thematic website

https://www.iamsmart.gov.hk/en/reg_location.html.

For “iAM Smart” registration methods and required items for smooth registration, please visit <https://www.iamsmart.gov.hk/en/reg.html>.

To learn more on how to register “iAM Smart+” at self-registration kiosk, please watch online video at <https://youtu.be/wpssOPABs2M>.

To facilitate parents to make registration, the EDB will continue to arrange “iAM Smart+” registration events in schools in July and August. Parents can, via the link below, book a session to register for “iAM Smart+” in-person at any designated schools in various districts. For details of the activities and enrolment, please refer to the attached poster.

Booking Link : <https://forms.office.com/r/vQTpEjgddu>

	Date	Time	District	School

2	2023/08/12 (Saturday)	10:00am – 2:00pm	Yuen Long	Yuen Long Long Ping Estate Tung Koon Primary School

To streamline the process of on-site “iAM Smart+” registration for parents, parents have to enable the biometric authentication functions such as Touch ID, Face ID or Fingerprint authentication and install “iAM Smart” App in his/her personal mobile phone prior to the school activity. Parents are also required to prepare the following for on-site registration

1. Hong Kong Identity Card;
2. Personal mobile phone (equipped with biometric authentication (e.g. Touch ID or Face ID), and downloaded as well as installed “iAM Smart” App); and
3. Provide an Email Address which can receive emails.

For those parents who cannot submit online applications, they can still follow the existing practice to submit the completed paper application forms to the EDB through the schools.

3. Outstanding Performance / Awards Outside the School in the First Semester

If your child participated in off-campus activities or competitions from January 5, 2023 to June 30, 2023, and obtained recognized qualifications or awards, but has not reported to the school, you can log in through the following QR code link to fill in the relevant information for school records before July 14, 2023.

<https://forms.office.com/r/JvL4nRMfgs>
