No. S072E/24-25

3rd December, 2024

Dear Parents,

Important Issues related to S1 – S2 First Term Examination

The First Term Examination of our school falls between 3rd January, 2025(Friday) and 16th January, 2025(Thursday). There is no examination scheduled on 8thJanuary, 2025 (Wednesday), students should stay at home and do revision for the examination. The scopes for revision for subjects are listed in the Annex for your reference. It is recommended that parents could give guidance for students to prepare for the examination.

During the examination, students are required to wear school uniform and arrive at school before 8:00 as usual. They should bring their own stationery and subject materials for study 20 minutes before the start of the examination. Unless with the request of teachers, students can leave shortly after the end of examination scheduled each day.

16th January 2025(Thursday) is a reserved day for examination if there is any unexpected condition that leads to the suspension of the examination. For instance, if EDB announces the suspension of classes because of bad weather, the examination will be held on the reserved day. If there is no suspension of examination, students are not required to go to school then.

If the student is absent because of sickness during the examination, parents should apply for sick leave by E-Class App or phone (2445 0800) in the period 7:30 to 8:00. It is a must to submit a valid medical certificate within 3 school working days when the student comes back to school. For Personal Leave, the application must be applied by E-Class App or parents letter within 3 school working days in advance. If the leave is approved, a mark will be deduced from the continuous assessment performance and the exam mark is 80% of the deduced mark.

Students are advised to make good use of their time to prepare well for the examination. Should there be any enquiries, please feel free to contact our staff at the General Office at 2445 0800.
