Dear Parents,

2024-2025 School Stakeholder Survey (Parents)

In order to understand the learning and growth needs of your child, our school adopts the "Stakeholder Survey" developed by the Education Bureau to collect the views of teachers, parents and students on the school, so as to facilitate the school's self-improvement and sustainable development. In accordance with the guidelines of the Education Bureau, all students will be arranged by their schools to fill in the questionnaire online in due course. The Parent Questionnaire can be redirected to the "School Stakeholder Questionnaire" (ESDA) Platform through the hyperlink in this circular. All questionnaires are conducted anonymously and confidentially, and your valuable feedback will be used as the basis for our school development plan for the coming year. Please complete the Parent Stakeholder Questionnaire on or before 28 February (Friday) for statistical analysis. For enquiries, please contact Assistant Vice Principal Shum Tat Ming or Miss Wong Hing Cheung at 2445 0800. **A guide for parents to complete the questionnaire (Annex 1) is attached for reference and parents can complete the questionnaire via smartphones, tablets or desktop computers.
